

Hillside Bible Institute

Offering college level training to equip God's people for service

The Purpose

The purpose of Hillside Bible Institute is to develop servants and leaders to advance God's kingdom

- By making disciples "*teaching to observe all that I have commanded you...*" Mt 28:18-20 "*entrust to faithful men, who will be able to teach others also.*" 2 Tim 2:2
- By equipping believers "*to prepare God's people for works of service...*" Eph 4:11-12

The Goal

Our goal is that each student would grow (head, heart, and hands) by:

- Strengthening his/her faith and walk with Christ
- Understanding vital Christian beliefs
- Developing a heart for seeing people as God sees them
- Sharpening skills to minister to others
